

INTRODUCTION

- * During 2011 we have been considering the Shadow of Christ found in the Old Testament.
- * On January 30th, we considered the testimony of Abraham and his encounter with Melchizedek – Priest of the Most High God. During that message, we considered the Priesthood of Christ, being in the order of Melchizedek.
- * Last week we began looking at another aspect of Christ's Priesthood, that of the Mediator between God and Man, and Man and God by considering the consecration of Aaron and his sons to the priesthood.
- * We examined the practical application of the passage last week. Today, we want to examine the prophetic application of the passage.
