

**INTRODUCTION**

- \* God's plan for Christ to come into the world was not a mystery. He had planned it before the foundations of the world were laid.
- \* From the beginning, God gave indicators that He would Himself come and provide the payment price for our redemption.
- \* Last we considered Job's declaration that he knew that his redeemer lived and that he would see him face – after he (Job) had died, his body decayed and he was given a new body! As we saw, Job was a contemporary of Noah and Abram.
- \* Today we consider another monumental moment in the history of man and the history of God's redemption of man – the calling of Abram from the land of Ur, in which God gives a promise to Abram that has had perpetual impact.
