

Greek Assignment – Week #5

You have your first test coming up. Take the next two weeks to review, review, review!

<u>Lesson</u>	<u>Assignment</u>
I	Alpha-beta!
II	Rules of Accenting
III	Present Active Indicative Verb Forms
IV, V & VII	Noun Declensions (1 st and 2 nd Declensions)
VI	Articles and Adjectives <i>* know the difference between attributive and predicative!!</i>
III-VII	Vocabulary

What will the main thrusts of the test be???

- 1. Do you know the Greek alphabet (§. 1)?*
- 2. Do you know the vocabulary from these lessons (§. 16, 24, 46, 60, 77)?*
- 3. Do you know the paradigms for PAInd Verbs (§. 18), Nouns (§. 31, 41, 48, 54, 56, 79), Articles (§. 63) and Adjectives (§. 61)?*
- 4. Do you know what the ultima, penult and the antepenult are? Do you know that verb accenting is recessive (what does that mean)? Do you know that in nouns, the accent remains on the same syllable as in the nominative singular as long as the general accenting rules allow? Do you that a grave (`) can stand only on the ultima, a circumflex (^) can stand only on the ultima or penult, and that an acute (´) can stand on the ultima, penult or antepenult?*
