

Greek Assignment – Week #13

<u>Lesson</u>	<u>Assignment</u>
I - XV	Review Paradigms & Vocabulary!!!!
XVI	Memorize Vocabulary & passive paradigms for 2 nd Aorist and future. Review Chapter. Write the λύω chart four times again. This time including the passive of the 2 nd Aorist and Future tenses. If you have not made flash cards, it would be a good idea to write out the vocabulary from the last five chapters (i.e. ἀναλαμβάνω – I take up). I would like to see either a list of all the primary vocabulary words (with definitions) from Lessons XII through XVI, or flash cards including those five chapters. Next week is a review week. Then we will have two weeks off for Christmas and New Year's Day. The test is after the break.
