

## INTRODUCTION

- \* God had planned the perfect gift – before He ever laid the foundation of the world!
- \* Though He left the timing of Christ's coming mystery, He gave types, signs and indicators as to the nature of the Messiah.
- \* Two weeks ago we began a series of message – Focusing on the Christ – which will take us through most of 2011.
- \* Last week, we began considering the first section of this series ... the Shadow of Christ;
  - considering 22 of those types, signs and indicators regarding the coming and nature of the Messiah.
- \* Last week, we examined the Creation account itself and saw Christ as the LORD of the Sabbath and the LORD of Creation – revealing His diety!
- \* Today, we want to continue in the book of Genesis to the fall of man
  - ... to consider it's importance practically and prophetically – seeing Christ as the seed of woman.
