

INTRODUCTION

- * Genesis, the book of beginnings, is the foundation for much of what we believe ... truly it is the beginning of the whole counsel of God
- * We have seen the creation of the universe, the creation of man, man's choice to sin and the passing on of sin to Cain.
- * Last week we began considering the Global Flood during the days of Noah.
- * While God grieved that He had made man, and He determined to judge the earth via a global flood - Noah found favor in the eyes of the LORD.
- * Additionally, He gave man PLENTY of time to repent (change the way they think!). However, only eight people got on the ark; just as God had said (cf. Gen 6:18)
- * Today we would like to continue our examination of the flood by considering the course of the flood, God's covenant with Noah (and all the earth), and finally, Noah's curse on Canaan - and how it's effect are still felt today!
