

INTRODUCTION

- * The book of Joshua - Israel's journey of faith into the Promised Land.
- * 13:1 "Now Joshua was old, advanced in years. And the LORD said to him: "You are old, advanced in years, and there remains very much land to be possessed."
 - 23:1-2 ¹ Now it came to pass, a long time after the LORD had given rest to Israel from all their enemies round about, that Joshua was old, advanced in age. ² And Joshua called for all Israel, for their elders, for their heads, for their judges, and for their officers, and said to them: "I am old, advanced in age.
 - 24:29 Now it came to pass after these things that Joshua the son of Nun, the servant of the LORD, died, *being* one hundred and ten years old.
- * Over the past three weeks, we examined the southern and northern conquest of the land, which Joshua and Israel had obediently performed.
- * 11:18,23 "Joshua made war a long time with all those kings. ... So Joshua took the whole land, according to all that the LORD had said to Moses; and Joshua gave it as an inheritance to Israel according to their divisions by their tribes."
- * Today, we begin looking at the division of the land
